May look weird but our **Wood 'Crankshaft'** is completely unique in paddle sports. Engineered to ergonomically align the wrists during the power stroke, this shaft allows you to paddle for hours with more comfort and less fatigue. This could be the best paddle you have ever owned. **\$195.00**

Once you have worn this **Outdoor Shirt** you will want to own a second one. The rear vent panels keep you cool and allow freedom of movement.

Manufactured by a leading brand name in outdoor gear, these shirts come with a Klepper logo, dry quickly and keep you cool while offering UPF 30+ sun protection. Available in Sm; Med & Lg. The perfect gift. **\$59.00**

Dry Pak Cases. Protect your cell phone, PDA, GPS etc. A 'must have' for any paddler. Choose either 6in. x 4in. or 8in. X 4in. Equipped with cam-lock closure clips that seal out water, sand and dust. Adjustable neck lanyard included. **\$16.00**

These unique **Bifocal Sunglasses** allow you to read all that fine print without resorting to 'cover over' sunglasses or clip-on's. The lower section is magnified just like regular readers, choose 'reader' strengths of 1.5; 1.75; 2; 2.5 or 3.

Perfect for the outdoors – fishing, map reading or using your cell phone. Lenses are rated UV400 protection. **\$28.00**

The **Cobb Grill** - Initially developed in South Africa as an eco-friendly 'green' grill using corn cobs for fuel. Now upgraded to cook a whole chicken using only 8 briquettes. Includes stainless steel stay-cool base, fire grid, dome top, non-stick grilling surface, lifting handle & carry bag. Dishwasher safe. Ideal for poultry, fish and vegetables. Will roast an average size chicken in about 1 hr. 30 min. Free recipe book. Dimensions: 12 ins. dia. x 12 ins. high and only 8.5 lbs. **\$139.00**
